

EQUAL SUFFRAGE MADE ISSUE FOR G. O. P. CAMPAIGN

This, and Frontage-Tax, Main Topics for Discussion By Candidates

Woman suffrage is to be made a live issue in the campaign of the Republican candidates, which will precede the general election on November 7 and which will be opened with a rally at Aala Park at 7:30 o'clock next Saturday evening.

A report to this effect was issued from Republican headquarters today, and at a meeting of the advisory committee with the candidates tomorrow evening. It is probable that several of the candidates will be assigned to explain the woman suffrage plank to the voters during the campaign talk-fests.

The plank in the local G. O. P. platform dealing with woman suffrage is as follows:

"Believing that the continued disfranchisement of women is a relic of antiquity that belongs to other days and that women never have maintained and never will maintain their moral, natural or legal rights save by the possession of political rights, we favor the enactment of laws granting equal suffrage to them. As this is a subject which the territory itself should be permitted to legislate, we favor the submission to Congress of a memorial for an amendment to the organic act by which the legislature of the territory may have power to act or may, should such a course seem advisable, call a special election for a submission of the question, to the voters."

At the meeting tomorrow the final arrangements for the campaign will be made and various other topics will be assigned to the candidates, including an explanation of the frontage tax system.

CONTRACT GIVEN TO PACIFIC ENGINEERING CO. FOR NURSES' HOME

The Pacific Engineering Company has been awarded the contract to build the nurses' dormitory at the Children's Hospital. Its bid was \$24,987, and, according to the agreement, the building will be finished within five and a half months.

The structure is to be entirely of concrete and modern in every respect. A feature of the building is a large sleeping porch on the second floor at the rear, where all the nurses will sleep, using their rooms only for the purpose of dressing.

NO SETTLEMENT OF KALAKAUA AVE. MUDDLE REACHED

Tone of Rapid Transit Company's Letter Does Not Suit: One New Complication

The situation as to the relocation of the Rapid Transit tracks on Kalakaua avenue has changed somewhat as a result of the meeting of the board of supervisors Tuesday night.

In the first place, the tone of the Rapid Transit Company's letter, answering the board's request that the company relocate its tracks, was slightly belligerent and entirely different from what was expected by the board. It is also the general opinion of members of the board now that Crispy is right in his stand, although they will probably offer if possible the \$1000 as half of the expenses for laying temporary tracks in order to avoid all delays in the completion of Kalakaua avenue paving.

Supervisor Larsen emphasized this by saying, "What the board wants is a road, and I believe if the public feeling is strong enough we should go ahead regardless of legal technicalities. It is the public that makes the laws and if it wishes to set them aside, it is up to the board to abide by its desires."

New Complication Arises
There is also another complication which may arise from the absence of Hatch, who left today for the coast. It takes the vote of five members of the board to pass a resolution appropriating \$4000 and with Hatch gone and with Horner, Ahia and Naylor Lane voting against it, it may be impossible for the board to appropriate the money. It is hoped by every member, however, that the rails will be here by the time the makai side is finished, which will not be for about five or six months.

SUFFERING ARMENIA WILL BE DISCUSSED AT CENTRAL UNION

President Wilson's proclamation will be taken up at Central Union parish house this evening at 7:30 o'clock and the attention of the church will be turned upon the suffering Armenian nation. W. R. Castle will read the president's call and the general program of the evening will be as follows:

"Turkish Method of Procedure"—David L. Withington.
"On the Eve of Deportation"—Miss Agnes B. Judd.
"What Happened on the Road"—Mrs. Doremus Scudder.
"After Eight Days"—Mrs. Walter F. Frear.
"The Remnant"—Frank C. Atherton.
"A Thrilling Experience"—Mrs. Clyde W. Manley.
"The Appeal"—Ernest T. Chase.
"The Response"—By the Church.

LIQUOR LICENSE BOARD WILL HEAR SEVERAL COMPLAINTS

The board of liquor license commissioners will meet this afternoon for regular business, included in which will be a report from the liquor inspector on a disturbance at Heinie's Tavern Saturday night and citations against the Pacific, Fashion and Imperial saloons.

Inspector Fennell stated this morning that so far as he has been able to learn the hostelry management was no way at fault for the trouble which occurred at Heinie's and would so report to the board. The Pacific and Fashion bars will be charged with selling liquor to drunken men and the Imperial management is accused of selling "slop" beer.

OCEAN GIVES UP BODY OF YOUNG WOMAN DROWNED

At 2 o'clock this morning the body of Miss Effie Crichton was found on Waikiki Beach, between the Outrigger and the Mauna premises. A post mortem examination was made by Police Surgeon R. G. Meyer and Dr. L. L. Patterson, who reported drowning as the cause of her death.

Miss Crichton's only relative in Honolulu is Mrs. John Lind of Moanalua. She came here about five years ago from Vancouver, had been employed in various homes as a governess for children and had intended to return soon to her home in Scotland. The funeral was to be at Williams' undertaking parlors at 3 o'clock this afternoon and burial will be in the Nuuanu cemetery.

The tragedy was first discovered when Miss Crichton's clothes were found about 6:30 last night by the attendant in the Moana Hotel bathhouse when he started to close up for the night. After waiting some time for her appearance he notified the hotel management and an alarm was sent to the police.

Deputy Sheriff Asch, Chief McDuffie and Detectives Stein, Apana and Kellett went to the beach and dragged the bottom, played searchlights on the waves and went out in canoes with no success for about three hours. The darkness was intense and apparently the body was under the water. This morning the discovery was made by a hotel watchman going the rounds of the beach.

Friends of Miss Crichton have advanced as a cause of her drowning the fact that she sustained a dislocated shoulder some time ago while in charge of the Harold K. Castle children and that possibly she had dislocated it in some way in the water and fainted through pain. Dr. Awer says, however, that there is no indication of this. The first dislocation of the same shoulder occurred when Miss Crichton slipped and fell on board the Makua five years ago on her way to Honolulu.

MRS. MARY J. COULTER CRITICALLY ILL, HER FRIENDS HERE LEARN

Word has been received here that Mrs. Mary J. Coulter of San Francisco is critically ill at a hospital in that city. Mrs. Coulter had just returned to the coast after a stay of several months in Honolulu.

While here Mrs. Coulter was untiring in her efforts to promote interest in art matters with exhibitions and lecturing, and her last work was to compile a very complete catalogue for the Cooke Gallery at Punahou. Her many friends in Honolulu will regret exceedingly the uncertainty of her recovery.

Hind will appear at tomorrow's meeting which is set to begin at 1:30 o'clock in the afternoon. Chairman Forbes stated yesterday that practically 1000 pages of typewritten transcript have already been taken on the hearing, and the end is not yet.
